

137 FILMS

Volunteer information

137 Films is a non-profit documentary production company based in Chicago. We create films from the world of science to entertain, educate, and inform by exploring how the search for answers impacts our cultural, political, and personal lives.

We are seeking volunteers to help plan and execute events supporting our projects. If you would like to get involved, we are looking for:

CORE VOLUNTEERS

Assist with projects integral to each event, such as getting bands involved, booking venues, talking to sponsors, and other logistics.

Core volunteers will be asked to attend event planning meetings on a semi-regular basis and will have some ongoing structure in the tasks they are asked to complete. Great experience for anyone interested in the planning of events!

QUICK VOLUNTEERS

Help with tasks that can be done in the moment and don't require a lot of advanced planning.

Quick volunteers will be called on to serve in a variety of ways on the evening of an event and also possibly solicit product donations and make other phone calls. If you are flexible or have a few hours to spare here and there, this is a great way to get involved!

One of the best parts of these events is meeting new people, so volunteers are always encouraged to bring their friends!

Thanks for your interest in this program. If you have questions or would like to sign up, contact us at info@137films.org or **773.327.2470**.
